## WHY TAKE AN INTERNSHIP? OUR STUDENTS' VIEWS

"I will absolutely treasure this experience for many years to come. Thank you for taking the time to match me so well."

**Meghan Lee Tetwiler**

"I'm sure that I got more out of living in London because I worked – I had friends other than students, went out with people from work, and saw parts of the city I never would have seen. Plus, I got to work for a really cool publication that my parents can buy at their local bookstore, look inside and see their daughter's name."

**Mercedes Kraus**

"Whatever company you work for, you will not only learn about the particular industry, but you will also learn about working in a city like London and in a foreign country like the UK. Working in London is truly the opportunity of a lifetime and you will learn more from it than you ever imagined."

**Blair Loftspring**
