Achieve career and university success in the UK with KIC London!

KIC London is your pathway to Cranfield University, a wholly postgraduate institution specialising in Science, Technology, Engineering and Management. Cranfield boasts industrial-scale facilities and a graduate employment rate of 92%, owing in part to its extensive network of well-known partners in industry including Airbus, Boeing, BP, Rolls-Royce, Shell and Unilever. A degree from Cranfield is valued by employers worldwide, so by studying here, you can begin your pathway to career success.

KIC London courses give you the academic skills, subject knowledge and English language ability needed for successful postgraduate degree study at Cranfield University. You are guaranteed progression to the University when you pass your course at the required level.

Graduate Diploma: prepare for a related postgraduate degree at Cranfield University. The following subject options are available:

- Business, Law and Social Sciences
- Science and Engineering

Start dates are offered throughout the year, and Preparatory English is available if you need extra help with your English language before beginning your Graduate Diploma.

KIC London facilities and services

- Located in the heart of London, a short walk to the facilities of City University London, to which students have access during their Graduate Diploma course
- Modern classrooms and computer lab
- Spacious, bright common room
- Support for academic and other issues e.g. accommodation, visa renewals
- Fun social activities programme

Cranfield excels in Science, Technology, Engineering and Management
