Achieve career and university success in the UK with Nottingham Trent International College (NTIC)!

NTIC is your pathway to Nottingham Trent University (NTU). One of the most popular universities in the UK, NTU has strong links with over 6000 companies, and its courses offer students a wealth of opportunities for work placements. An NTU degree is highly valued by employers, so by studying here, you can begin your pathway to career success.

NTIC courses give you the academic skills, subject knowledge and English language ability needed for successful undergraduate or Masters degree study at Nottingham Trent University (NTU). Progression to NTU is guaranteed when you pass your NTIC course at the required level.

Foundation Certificate: prepare for the first year of an undergraduate degree at NTU, or continue to an International Year One course at NTIC, from which you can progress to the second year of an NTU degree. The following subject options are available:

- Art and Design
- Business, Law and Social Sciences
- Computing
- Media and Communications

International Year One in Business / Computing: prepare for the second year of an undergraduate degree at NTU.

Graduate Diploma: prepare for a postgraduate degree at NTU in one of the following subjects.

- Business
- Computing
- Gallery, Museum and Heritage Management
- International Relations
- Journalism, Media and Communications
- Legal Studies
- Psychology and Public Health

Start dates are offered throughout the year, and Preparatory English is available if you need extra help with your English language before beginning your Foundation Certificate, International Year One or Graduate Diploma at NTIC.
