Read about the experiences of one of our scholarship-winning students below, and you could follow his path to academic success!

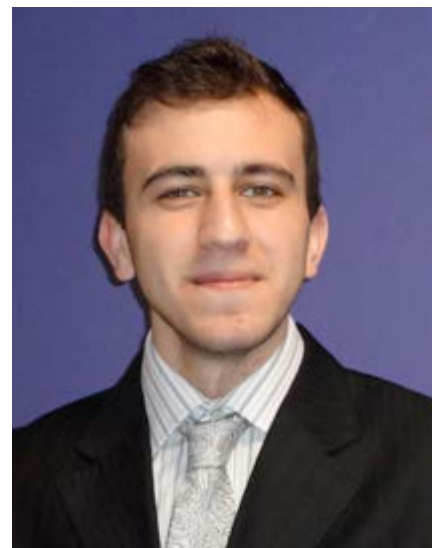

Name: Ibrahim Al-Habbal **Country:** Iraq
NTIC course: International Year One in Computing
NTU degree: BSc (Hons) Information and Communications Technology

Winner of a scholarship from NTU for outstanding academic achievement

"My brother-in-law was studying in Nottingham and recommended the city to me. I like the multiculturalism of the city, and campus and I would recommend Nottingham Trent International College.

"I worked hard in classes and was given a suitable level of support to succeed. The personal tutors were great, and I found one-to-one tutorials useful as they specifically addressed my learning needs. I feel proud of the Distinction I achieved on my International Year One course.

"For my next steps I would like to continue at Nottingham Trent University and complete a Master's degree."

We look forward to helping future international students achieve similar success at Nottingham Trent International College and Nottingham Trent University!
