# Achieve career and university success in the UK with KIC London!

KIC London is your pathway to the University of Westminster. Located in central London, Westminster offers a wide range of career-focused degrees, a diverse student community representing more than 150 countries, and has won two Queen's Awards for Enterprise. By studying here, you can embark on your pathway to career success.

KIC London courses give you the academic skills, subject knowledge and English language ability needed for successful undergraduate or postgraduate degree study at the University of Westminster. You are guaranteed progression to the University when you pass your KIC London course at the required level.

**Foundation Certificate:** prepare for the first year of an undergraduate degree at the University of Westminster. Choose from the following subjects:

- Business, Law and Social Sciences
- Science and Engineering

**Graduate Diploma:** prepare for a postgraduate degree at the University of Westminster. The following subject options are available:

- Business, Law and Social Sciences
- Science and Engineering

Start dates are offered throughout the year, and Preparatory English is available if you need extra help with your English language before beginning your Foundation Certificate or Graduate Diploma.

## KIC London facilities and services

- Located in the heart of London, a short walk to the facilities of City University London, to which students have access during their Foundation Certificate / Graduate Diploma
- Modern classrooms and computer lab
- Spacious, bright common room
- Support for academic and other issues e.g. accommodation, visa renewals
- Fun social activities programme

Gain a degree from a prominent London university

Study in the heart of London
