UK partner university rankings

	UK Rankings					World Rankings	
	The Times and Sunday Times 2014	The Guardian 2014	The Complete University Guide 2014	QS 2013/14	Times Higher Education 2012/13	QS 2013/14	Times Higher Education 2012/13
Bournemouth University	67	52	59	–	–	–	–
City University London	43	37	42	40	–	347	–
Nottingham Trent University	61	73	61	–	–	–	–
University of Brighton	76	68	73	–	–	–	–
University of Glasgow	25	21	23	9	19	51	139
University of Liverpool	36	54	38	22	25	130	171
The University of Sheffield	18	40	26	13	14	71	110
University of the West of England, Bristol	60	64	56	–	–	–	–
University of Westminster	106	99	87	–	–	–	–

Cranfield University is unique. As a wholly postgraduate university, it does not appear in the traditional rankings tables like The Times or The Guardian University guides, simply because it does not have an undergraduate offering. When you are evaluating the University, we suggest you look at their Quality Assurance awards, Research Assessment Exercise ratings, the level of industry funding they receive and their reputation as told by students - over a third of students study at Cranfield based on word-of-mouth recommendations.
