Host family accommodation

Students are placed with host families. All placements are typically done in "double", meaning 2 international students are placed in the same host family. However, depending on the gender breakdown we reserve the right to place up to 3 students in the same host family.

Our host families are predominately located in the Kendall area and students receive a local transportation pass to go to and from their families. This pass allows students an unlimited number of journeys during their stays. The journey between the host family and school can be anywhere between 60 to 90 minutes each way.

Note that all host families speak both, English and Spanish at home
