Course: General English

20 lessons per week (a total of 15 hours)

1 lesson = 45 minutes

- The course will help improve English language skills by focusing on the key areas: reading, writing, speaking and listening. A strong focus is placed on speech and using the language confidently and fluently.
- Lessons are engaging and designed especially for young learners. Teachers aim to satisfy any interest, with a focus on communication to boost students' confidence when using English in practical situations. Regular tests and conversations classes help to ensure that students improve their English as much as possible.
- Our dedicated and professional teaching staff provide feedback and support and help students build confidence to speak English.
- If the school is busy, EC will utilise a Double Banking timetable. Put simply, students attend morning class sessions one week, whilst the next week they attend afternoon sessions.

Welfare, Rules and Disciplinary Action

ALCOHOL CONSUMPTION

Any EC student on the Young Learners Programme caught consuming alcohol during their stay risks being expelled from the school and repatriated to their home country. No alcohol consumption is permitted during the programme.

SMOKING

Smoking is not permitted during any part of the programme.

DRUGS

The consumption of any illegal drugs will result in the immediate expulsion and repatriation of the student and the possible intervention of the police.

EXPULSION

EC reserves the right to expel and repatriate a student at his/her own expense for any of the following reasons:

- Possession of any illegal drugs
- Drinking or bringing alcohol on to any EC premises
- Malicious damage to school property or place of accommodation
- If the student is a danger to his/her own safety or that of other students
- Breaking English law
- Repeated failure to attend academic lessons and/or social activities
- Bullying, racism, sexual harassment, and/or violence

In any of the above circumstances the student is informed that their stay is going to be terminated with immediate effect. Simultaneously EC informs the student's agent of the student's behaviour and the course of action to be taken. The earliest flight available is booked at the student's expense and an EC staff member accompanies the student to the airport to ensure that the student leaves the country. Following such action EC will terminate all relationships with the student and will be unable to take further responsibility for the student. No refunds will be given to any students who have been expelled.
